‘No-fly’ trick doesn’t fly

FROM STAFF AND WIRE REPORTS

A British immigration officer tried to ditch his wife by adding her name to a list of terrorist suspects.

With her name on the no-fly list, the woman was unable to leave Pakistan for three years.

The officer was caught when security staff — who were vetting him for promotion — noticed his wife among the suspects.

He was fired for gross misconduct.

NOTED. One-armed Maine residents may soon be allowed to carry switchblades if a bill is passed.

Federal law permits one-armed individuals to own and carry switchblades of three inches or shorter.

But in Maine, the action warrants a misdemeanor in trafficking dangerous knives.

QUOTED. “This act is defamatory, insensitive and undermining of woman’s integrity.”

—The African National Congress secretary general, as the government condemned the eating of sushi off bikini-wearing models.

The practice is sometimes performed at parties with businessmen and socialites.
