Everyone,

Thank you to all of you! You all have been tremendous in supporting me over the past few weeks and months. Let's keep the momentum going through Tuesday!

Thank you in particular to everyone who was able to make either debate tonight or show up afterwards to work on signs for tomorrow. You've all be so helpful with everything. And we've got some awesome signs created for the 10-2 PM rally in the pit!

I'm very happy to report that we got the endorsement from both the Great South Campus Debate (hosted by Campus Y, RHA, and BSM) and the College Republicans! This is really big news, and it creates a strong message combined with the Di Phi endorsement from last night. Keep spreading the word!

The DTH has again some [great coverage](#) of the event.

See you in the Pit!

Andrew
