EDITORIAL POLICY

The Journal of the Genealogical Society of Rowan County will publish material of genealogical significance relating to Old Rowan County, North Carolina. Rowan County was created in 1753 from Anson County. Twenty-six counties were subsequently formed from Old Rowan County, including Surry in 1770, Iredell in 1788, Davidson in 1822, and Davie in 1836; therefore, material from these counties may be appropriate for inclusion in the Journal.

Manuscripts submitted for publication will be judged for factual accuracy, sources, style, clarity, and general appeal to membership. Neither the Journal nor the Society can assume responsibility for errors on the part of contributors. Corrections of proved errors will appear in a subsequent issue of the Journal. Any publication submitted to the Journal for review will become the property of the Genealogical Society and be placed in the Edith M. Clark History Room of the Rowan Public Library.

Queries are free to all individual Society members who submit a pedigree chart. Non-members are charged \$4.00 per query.

Correspondence for Queries, letters to the Editor, or material submitted for publication should be mailed to the Editor, The Genealogical Society of Rowan County, Post Office Box 4305, Salisbury, NC 28145.

The Journal for the Genealogical Society of Rowan County is published quarterly and sent the last week of each month (March, June, September, December/Index).

December 2019 - Message from the Editor:

Happy Holidays to All! Hope everyone has had a blessed 2019 and is looking forward to a prosperous New Year! Thanks as always for your continued support and assistance to the Genealogical Society of Rowan County – we need each and every one of you!

Now's the time to renew memberships for 2020! All memberships expire December 31st and you can send dues for the New Year any time. Be sure to renew so you don't miss out on Journals for 2020! Dues are \$20 for an individual and \$25 for a family.

If you have already mailed your dues or paid for more than one year in advance, we greatly appreciate it. It is your continued support that makes it possible for us to share information by continuing to publish our Journal. Many thanks in advance!

As mentioned in the previous Journal, I have been looking for assistance in publishing the Journal, as my personal circumstances have changed recently. It would have been optimal for someone to take over all the duties of production of the Journal. However, since no one has stepped forward to assume that role, I have agreed to do the editing portion for another year, as long as I have some help. Currently, we have two individuals who have volunteered to do research and transcribing of materials, and another person to handle mailing requirements. This will allow us to continue to publish the Journal. If anyone has Rowan County family information or a transcribed article that would be a good addition to the Journal, please feel free to send it to us in a digital, editable format. We welcome any contributions!

In addition, we will have another format change this year. We have been publishing the Journal in digital format for most of our membership for the last two years. We have also continued to mail paper copies to a good number of Gen Societies and Libraries, and to a few individuals. The paper copies will no longer be bound as they have been in the past. If you receive a paper copy, it will be a double-sided copy of the electronic version, on white paper and stapled at the upper left hand corner. Printing/binding and mailing expenses exceed the membership dues income, so we need to economize as much as possible. If you are receiving a paper copy and are willing to receive the Journal in electronic, PDF format, please let us know. Thanks in advance for your consideration. The paper copies will eventually be phased out completely.

If you have any questions, concerns or contributions, feel free to email or write any time.

With Warm Regards,
Leslie Black
Editor

FOOTNOTES OF HISTORY

By James Brawley

Reprinted from *The Salisbury Post* - March 13, 1960

Notes From A Cluttered Desk

Facts gleaned from the notes of a historian's cluttered desk:

10-INCH SNOW - The Watchman reported that Salisbury had a 10-inch snow on March 8, 1872.

THE SALISBURY INSTITUTE opened in August, 1871, in the academy building in back of the Presbyterian Church, according to an announcement in *The Old North State*. The institute was to be under the management of B. Frank Rodgers of Concord and The Rev. J.G. Neiffer of Salisbury.

ON SEPTEMBER 15, 1871, the cornerstone of the Evangelical Lutheran Church at Mt. Pleasant was laid. The announcement stated that the church was to be "a brick edifice."

LUTHERAN CHURCH - The North Carolina Herald carried an article in the December 3, 1885, issue stating the Lutheran Church was about completed. This church, now located behind a service station on the corner of Kerr and Main Streets is still standing.

KLUTTZ'S DRUG STORE (now Purcell's on the corner of Main and Innes) had a new metal roof installed in November, 1885. Not to be outdone, Maj. S.W. Cole the same month improved his building on the corner of Fisher and Main Streets with an iron front.

THE WESTERN CAROLINIAN reported in 1830 that "the Salisbury Races of the Jockey Club began on October 27th. There was no bullying and fighting but the whole passed off with good feelings. A great many ladies were present in their carriages."

SCOTTISH BANK - The First National Bank Building (now the Scottish Bank) was completed during the week of August 2, 1885, with I.H. Foust as cashier.

MR. JOHN M. KNOX and Mrs. G.A. Bingham homes have just been built. They are two-story, L-shaped with piazzas, bay windows, fancy ornaments and finished in tinted paints. (Watchman, March 8, 1872) These lovely homes on West Bank Street are now occupied by John Knox's daughter, Miss Clara Knox, and by Mr. and Mrs. John L. Henderson.

THE STAGE OFFICE is kept at the Rowan House for C. Lucas and Company Lines which serve passengers from Salisbury to Charlotte, Danville, Richmond, Petersburg, and for P. Warlick's Lines from Salisbury to Morganton and Raleigh. (Salisbury Banner, November 24, 1854)

WILLIAM ROWZEE was agent for the Tri-Weekly Mail Line from Mocksville to Salisbury with the "two horse hacks." (Watchman, January 11, 1859)

ON NOVEMBER 24, 1854, Peter Kearns died at the age of 68, and on January 11, 1859, McNeely and Young's new store on the corner opposite the Mansion House was formerly occupied by Michael Brown. This would be Bailey's Drug Store.

JOHN McCLELLAN of the Parish of Shronell County of Tipperary, Ireland, oldest son of Robert and Elizabeth McClellan, sold Rowan County land to John Haglitt of the same place. McClellan "served as an officer under Washington in the late American War and after the peace settled in or near Salisbury. He died in 1788. (Deed Book 13, page 548.)

PASSAGE

I saw behind me those who had gone, and before me, those who are to come. I looked back and saw my father, and his father, and all our fathers, and in front, to see my son, and his son, and the sons upon sons beyond. And their eyes were my eyes.

As I felt, so they had felt, and were to feel, as then, so now, as tomorrow and forever. Then I was not afraid, for I was in a long line that had no beginning, and no end.

And the hand of his father grasped my father's hand, and his hand was in mine, and my unborn son took my right hand, and all, up and down the line that stretched from Time That Was, to Time That is, and Is Not Yet, raised their hands to show the link.

*And we found that we were One,
born of Woman,
Son of Man,
made in His Image,
fashioned in the Womb
by the Will of God,
the Eternal Father.*

Early Landowners of Rowan County

Rowan Public Library, the Edith M. Clark History Room, and the Genealogical Society of Rowan County are proud to announce that the Early Landowners of Rowan County maps, along with the index, have been digitized and published to the History Room website as our newest digital collection.

In 1995, James W. "Bill" Kluttz published a set of 6 maps that indicated the earliest land purchases in the area of North Carolina we now identify as Rowan County. While Rowan County in 1753 covered a much greater area than its current acreage, the maps feature only the land plats in the area that is currently Rowan. *The Early Landowners of Rowan County, North Carolina* maps, also known as the Kluttz Maps, originated in the work done in 1950s by David Rendleman. In his research, Kluttz also included portions of western Rowan that had not been previously incorporated in any plat map studies. Listed on each map within the property lines are the deed book and page number of the earliest deed reference as well as the grantor, grantee, and date of the sale. There are 1,200 names within the grantor/grantee lists. The Kluttz maps are invaluable for genealogical research in this area. These maps are accessible online by entering the History and Genealogy section of the library website, then the Edith M. Clark History Room link, click on the drop down menu for "Collections" and select the Kluttz maps or the Kluttz map index to explore for specific surnames.

A set of 6 maps and the index to the map can be purchased through the Genealogical Society for \$35.00. Sets are also available for viewing or purchase at the Rowan Public Library History Room. The deed abstracts and deeds on microfilm may also be accessed in the History Room.
