HOROSCOPES

If February 10th is Your Birthday...
The year ahead could benefit from careful planning, listening to your intuition and allowing family members to contribute. Plant the seeds; fertilize your ground with natural compost and harvest delicious rewards. It's a miraculous cycle.

To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

Aries (March 21-April 19)

Today is a 7 - All work and no play sounds boring. Remember to take time to follow your passions. Better yet, play at work and work at play, for some big game.

Taurus (April 20-May 20)

Today is a 9 - You're on top of the world, and others want what you have. Stop and think, when necessary. It's a great time to socialize and to rediscover your artistic expression.

Gemini (May 21-June 21)

Today is a 6 - Don't take other people's criticism of your appearance personally. They may have a point. Go ahead and laugh at yourself (or with yourself). It's good for you.

Cancer (June 22-July 22)

Today is a 6 - If your ideas appear clear in your head, but not necessarily on paper, don't despair. Take a deep breath and try again. You can express them.

Leo (July 23-Aug. 22)

Today is an 8 - The day has ups and downs. It might even get emotional at times. Don't lose your temper. Focusing on work makes everything easier and gets stuff done. Later it all makes sense.

Virgo (Aug. 23-Sept. 22)

Today is a 5 - It may be difficult to focus on work today, as daydreams about your love life keep distracting. Do something routine, and indulge in some fantasizing.

Libra (Sept. 23-Oct. 22)

Today is a 7 - It's a very busy day. You're extremely sensitive to light and sound (which could be a good thing). Get grounded before making a big decision.

Scorpio (Oct. 23-Nov. 21)

Today is a 5 - You're having a difficult time concentrating at work. A great partnership may result if you don't overthink it. Be willing to laugh at yourself.

Sagittarius (Nov. 22-Dec. 21)

Today is a 6 - Distractions get in the way of productivity. You could resist them or let them take you away to a place you've never been. What's the deadline?

Capricorn (Dec. 22-Jan. 19)

Today is a 6 - Don't worry about money out loud. Focus your energy on creative projects that provide instant gratification. You'll have something to show for your time.

Aquarius (Jan. 20-Feb. 18)

Today is a 6 - Make improvements at home or at your base of operations earlier in the day. Later, things could get confusing. Think twice before you act today.

Pisces (Feb. 19-March 20)

Today is a 7 - The day begins with many possibilities for self-expression and communication. You may hit some snags later in the day. It's nothing you can't manage.
