Dear Rosemary, 5-25-11

My name is Winnie Titchener and I'm a graduate student assistant with the SOHP and the Southern Historical Collection at UNC. On the release form for an interview you gave with Carol Haddad in 2009, you indicated that researchers must obtain your permission to read or listen to the interview.

We feel that this interview is potentially very valuable to researchers, and I'd like to ask you to reconsider your restriction statement. All that would be needed is a note from you giving us permission to make the interview available through the library and the SOHP website (sohp.org).

Please let me know if you have any questions, and thank you for your time.

Sincerely,

Winnie Titchener
