NON-CBC EVENTS

1. The Mu Zeta Chapter of Alpha Phi Alpha Fraternity, Inc. invites the Caucus to participate in the annual Black Freshman/Faculty Mixer on Tuesday, August 31st in the Stone Center’s Hitchcock Multipurpose Room from 5:30-7:00 p.m. The goal of this program is to introduce first-year African-American students to the African-American faculty and staff on campus and provide them with wisdom and connections during a very formative time in their academic careers. This event will be an informal networking opportunity to provide students with a comfortable atmosphere to ask all the questions that will aid them in their future success. If you would be willing to participate and are available, please respond to tmcpfers@email.unc.edu. There is no formal dress code and you will not need to have anything prepared; just come ready to speak about your department and be excited to interact with the undergraduates.

2. Diversity and Multicultural Affairs invites Caucus members to the opening session and reception for Pre-Orientation (Pre-O) 2010 on Friday, August 20th 1:00 p.m. in the Carolina Union Great Hall. The opening session provides an opportunity for new

students and parents to learn about helpful resources and to “**meet and greet**” **Carolina’s faculty and staff**. To RSVP, please email name and department to Chris Faison, (chris_faison@unc.edu) no later than Wednesday, August 18th. Our attendance reflects our commitment and support to minority students.
