HOROSCOPES

If July 14th is Your Birthday...

Keep to a financial plan for peace of mind. Education is a key focus this year. Learn from an experienced tutor, and teach another. Be willing to give up an old perspective that no longer serves. This allows for a new view of unimaginable possibilities.

To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

Aries (March 21-April 19)
Today is a 9 - A sudden development reveals hidden resources. Dive into a heavy assignment, and rewards will exceed expectations. Kick back & enjoy.

Taurus (April 20-May 20)
Today is an 8 - Start planning your escape. Look for strength in your reserves. Here's your mantra for today: "I can have anything I'm willing to stand for." You're very attractive now.

Gemini (May 21-June 21)
Today is an 8 - You're focused on moving forward in career and community. A distant development changes the score. Negative inner conversations could distract. Turn the volume down with self-kindness.

Cancer (June 22-July 22)
Today is an 8 - Folks seem to be getting along, and business is going well. Dance with any surprises to keep the balance. Someone's judgment, so make sure they feel heard.

Leo (July 23-Aug. 22)
Today is an 8 - Give something up and gain a bigger prize. There's money coming in, and you may be tempted to be impulsive. Share your love freely, but keep your wallet in your pocket.

Virgo (Aug. 23-Sept. 22)
Today is a 6 - Whenever there's romance, there's also the fear of losing it. Risk it all and live passionately, or play it safe and lonely. Dare to be charming, like only you know how.

Libra (Sept. 23-Oct. 22)
Today is a 6 - You may find it easier to just stay home and get organized. Find what you need in your own closet or attic. Discover forgotten gems. A quiet evening refreshes.

Scorpio (Oct. 23-Nov. 21)
Today is a 7 - Explore your neighborhood for treasures, they're closer than they seem. Take a stroll under the full moon; breathe fresh air. No need to venture far.

Sagittarius (Nov. 22-Dec. 21)
Today is an 8 - You may feel like a good teacher now. There are new opportunities for income, but don't waste what you have. Benefit from the generosity of another, and pay it forward.

Capricorn (Dec. 22-Jan. 19)
Today is a 5 - You may feel like you move, but travel does look good now. Watch out for hidden potholes on the road, and give your card to folks as you go. You make an excellent connection.

Aquarius (Jan. 20-Feb. 18)
Today is a 5 - You may feel like you're getting nowhere, especially where relationships are concerned. Give it a rest and try again tomorrow, when conditions are more favorable.

Pisces (Feb. 19-March 20)
Today is a 5 - Today you could fall off the horse. Is this going to keep you from riding? What you choose could determine future limitations. Climb back on and know you can do it.
