There were several questions regarding state legislation. These resources should be made available in the report:

1. Freedom Network USA, State Model Law on Protection for Victims of Human Trafficking (June 2005), available at http://www.globalrights.org/site/DocServer/StateModelLaw_9.05.pdf?docID=3123
2. US Department of Justice, Model State Anti-Trafficking Criminal Statute, available at http://www.usdoj.gov/crt/crim/model_state_law.pdf
