To: AP SBP Campaign Team <andrew-powell-for-sbp@googlegroups.com>

Dorm Storming - (only time that knocking on doors is allowed)

7-9 probably on Wednesday and Thursday and Sunday and Monday - go to community offices first

not allowed on Tuesday until 11:59 PM

For signatures:

need to turn in an excel sheet of all the names and PIDs

can use onyen verification form online to do online signature gathering, if we can create that ourselves - might be worth talking to Dylan Simel about that?

Once signature gathering starts: you can post on things that aren't shoved in people's faces - post on my website, post on my own facebook, tweet out about my campaign, etc. but not spam listservs yet

can't spam a listserv until you're certified as a candidate - need to be certified first

when getting signatures, you can ask if they want to be put on a listserv - get their onyen as well?

on studentlife site, need to have a profile on the site to be able to vote
