Mustache lovers unite

FROM STAFF AND WIRE REPORTS

The mustachioed residents of a New Hampshire town are awaiting the results of their world record attempt of having the most moustache contest competitors at the same time.

Categories in Saturday's contest included "Grand Stache," "Menudo" and "Selleck."

Organizers said more than 450 participants showed up. The record is 251.

**NOTED.** The residences of single men contain 15 times the bacteria than those of single women, according to a new study.

Items tested included remote controls, nightstands and doorknobs. The researcher partly attributed the contrast to the tendency of men to prop their feet on tables while wearing shoes.

**QUOTED.** "I used all my strength to punch the animal in the face, but it would not budge."

— A Malaysian man who was saved from a tiger attack by his wife, who clubbed the animal on the head with a wooden soup ladle and chased it away.  
The man was treated for face and leg lacerations.
