## PREFACE

### The Faculty Code of University Government

A committee of the faculty to study and report on University Government was established in November 1942. The original members of that committee were Arnold K. King (Education), William deBerniere. MacNider (Pharmacology), Carl Pegg (History), J. Carlyle Sitterson (History), Robert H. Wettach (Law), Louis Round Wilson (Library Science), and John M. Booker (English), Chair. During the years of study (complicated by World War II) the committee made numerous progress reports to the faculty. In November 1947, after several meetings and the adoption of amendments, the faculty approved the committee's recommendations on *Faculty Legislation*. Further amendments were adopted in 1950, the most important of which provided for the establishment of the Faculty council, a representative legislative body. The members of the Committee on University Government at that time were James Logan Godfrey (History), Arnold K. King (Education), Edgar W. Knight (Education), John T. O'Neil (Business Administration), William M. Whyburn (Mathematics), Louis Round Wilson (Library Science), Maurice T. Van Hecke (Law), Chair, and William S. Wells (English; Dean of Arts and Sciences), Consultant. When the Council first met on January 5, 1951, there were fifty-two elected members based on an apportionment ratio of one to seven, and twenty-nine *ex officio* members. *Faculty Legislation* was renamed *The Faculty Code of University Government* in 1974. The current organizational and numbering scheme of the *Faculty Code* was the result of a complete editorial revision in 1997.

The Committee on University Government began work on a comprehensive revision of the *Faculty Code* in 2003. The first four Articles were comprehensively revised by the General Faculty on January 16, 2004. The remainder was comprehensively revised on March 23, 2007. Section 3-1 was amended March 28, 2008. Sections 4-5 and 4-5.1 were amended November 6, 2009. Section 12-1 was amended March 19, 2010. Previous editions of the *Faculty Code* are available on the Faculty Governance website.

## **ARTICLE 1**

### **THE GENERAL FACULTY**

**§ 1-1. Members.** The General Faculty consists of the President of The University of North Carolina, the Chancellor of The University of North Carolina at Chapel Hill; all persons holding faculty appointments to the ranks of professor, associate professor, assistant professor, instructor, lecturer, or any of the formally authorized lecturer-equivalent ranks; librarians holding the ranks of librarian, associate librarian, assistant librarian, and general librarian under procedures approved by the chancellor; the registrar; the director of the Office of Undergraduate Admissions; the director of the Office of Scholarships and Student Aid; and such other officers of administration having responsibility for educational policy as may be approved for *ex officio* non-voting membership by the Faculty Council.

**§ 1-2. Organization.** (a) Presiding officer. The chancellor is the presiding officer of the General Faculty. The chair of the faculty is chair pro tempore of the General Faculty and presides in the absence of the chancellor.

(b) Minutes. The secretary of the faculty keeps a record of the proceedings.

(c) Quorum. A quorum is conclusively presumed at any meeting of the General Faculty called on at least ten days written notice. Otherwise, the presence of 125 voting members is necessary for a quorum.

(d) Bylaws. The General Faculty may adopt bylaws to govern its proceedings.

**§ 1-3. Meetings.** The General Faculty meets at least once in the fall semester and once in the spring semester in each academic year. Special meetings may be called by the chancellor, or, in his or her absence, by the chair of the faculty. The chancellor calls a special meeting on the written request of ten percent of the voting members of the General Faculty.

**§ 1-4. Voting.** (a) Except as otherwise provided in this *Code*, the voting faculty comprises (i) all members of the General Faculty having tenured or probationary-term appointments, (ii) librarians who are members of the General Faculty, and (iii) fixed-term faculty whose positions satisfy the following criteria:

- 1) the position is for not less than 75% of an equivalent full-time position and is not a visiting appointment; and
- 2) the duties of the position include teaching, research, or both; and
- 3) the actual or anticipated length of service in the position is at least three years. This criterion is satisfied if (i) the current term of appointment is for three years or more, or (ii) the appointment is a renewal appointment to the same position and the combined length of the current term and the immediately preceding terms is three years or more.

(b) For the purposes of Articles 1 through 4 and Article 12 of the *Code*, a member of the voting faculty who retires but continues on the faculty with a fixed-term appointment that calls for at least

one-half time effort is deemed to retain the faculty rank and voting status that he or she held immediately prior to retirement.

**§ 1-5. Office-holding.** Only members of the voting faculty are eligible to hold offices established by the *Code*.

**§ 1-6. Powers.** The General Faculty has power:

- 1) to establish the policies governing the educational activities of, and the award of academic degrees by, the University of North Carolina at Chapel Hill and to promulgate such regulations as are necessary to implement established policies;
- 2) to request information and reports from and to give advice to the chancellor with respect to any matter affecting the life of the University;
- 3) to act upon reports from and to make recommendations to the Faculty Council, faculty committees, colleges, schools, institutes, and other units of the University;
- 4) to discuss and resolve upon matters relating to the life of the University;
- 5) to join with the chancellor and other officers of administration and the student body in regulating student conduct and discipline; and
- 6) to delegate its powers, except the power to establish or amend this *Code*, to such officers and bodies as may be established herein.

**§ 1-7. Code amendments.** Proposals to amend this *Code* must be passed on two separate readings at different meetings. If a proposal has not been previously considered by the Committee on University Government before passing its first reading, it is referred to that Committee before being considered on second reading. The Committee considers the proposal and reports its recommendations promptly.

**§ 1-8. Policy on selection of officers.** It is the policy of the General Faculty that in selecting persons to fill positions established by or pursuant to this *Code*, consideration should be given to the factors of departmental affiliation, faculty rank, tenure status, color, age, and sex to the end that diversity of interests among the faculty are appropriately reflected in the various organs of faculty government.

## **ARTICLE 2**

### **THE FACULTY COUNCIL AND FACULTY EXECUTIVE COMMITTEE**

**§ 2-1. Legislative power vested in Council.** The legislative powers of the General Faculty are vested in a Faculty Council.

**§ 2-2. Members.** (a) The Council consists of two groups of members, *ex officio* and elected.

(b) The *ex officio* members are: the chancellor, the chair of the faculty, the secretary of the faculty, and members of the Faculty Executive Committee and delegates to the Faculty Assembly who are not otherwise elected members of the Council.

(c) All members of the voting faculty are eligible for election to the Council.

(d) The elected members of the Council are chosen by and from the electoral divisions defined in subsection (e), on the basis of one representative for each 42 members of the voting faculty, or major fraction thereof, assigned to the respective divisions: provided that no college or school is represented by more than one-third of the elected members. In divisions entitled to two or more representatives, members are chosen on the basis of proportional representation of (1) professors, associate and assistant professors with permanent tenure, and librarians, and (2) all other ranks. If there are too few members of the voting faculty in either category to qualify for at least one representative, the two categories are combined. Representation is determined by the composition of the electoral division as of January 1 proceeding the date of the election.

(e) The electoral divisions are:

- 1) The Division of Fine Arts of the College of Arts and Sciences;
- 2) The Division of Humanities of the College of Arts and Sciences;
- 3) The Division of Natural Sciences and Mathematics of the College of Arts and Sciences and The Institute of Marine Sciences;
- 4) The Division of Social Sciences of the College of Arts and Sciences;
- 5) The University Libraries;
- 6) The School of Information and Library Science;
- 7) The Kenan-Flagler Business School;
- 8) The School of Education;
- 9) The School of Journalism and Mass Communication;
- 10) The School of Law;
- 11) The School of Social Work;
- 12) The School of Government;
- 13) The School of Medicine;
- 14) The School of Dentistry;
- 15) The School of Nursing;
- 16) The School of Pharmacy; and

17) The School of Public Health.

(f) Departments and other units initiating faculty appointments that are not assigned to an electoral division by subsection (e) are assigned to an appropriate division by the secretary of the faculty.

(g) In 1985 and every five years thereafter, the Committee on University Government adjusts the apportionment factor so that the number of elected members of the Council is as near 70 as practicable. Such an adjustment is deemed an amendment of subsection (d) and is reported promptly to the secretary of the faculty and by him or her to the General Faculty.

(h) The Committee on University Government, with the approval of the chancellor, may amend the provisions of this section to adjust details of the pattern of membership herein established whenever required by changes in the organization of the University.

**§ 2-3. Terms.** Elected members of the Council serve for terms of three years and are not eligible for election more than twice in any period of seven years. Nominations and elections are held in the spring semester in each academic year and the term of office begins on July 1. A member's term of office is not affected by his or her promotion during the term or by reapportionment of the Council before expiration of the term.

**§ 2-4. Nomination and election.** (a) Nominations for election to the Faculty Council are the responsibility of the Nominating Committee. Other names may be added to the ballot by written nomination submitted to the secretary of the faculty by three or more faculty members of the division for which the nomination is made.

(b) The Nominating Committee establishes divisional nominating committees within each electoral division of the Faculty Council. These committees recommend nominees for the Faculty Council. Each committee recommends at least two nominees for each vacancy within its electoral division unless the number of vacancies makes that impractical.

(c) Members representing electoral divisions are chosen by members of the voting faculty whose primary appointments are in schools or departments assigned to that electoral division. Ballots containing the nominations are distributed to the appropriate division by the secretary of the faculty. Elections are determined by a plurality of the votes cast.

(d) The secretary of the faculty decides tie votes by lot.

(e) The secretary of the faculty fills vacancies for the remainder of unexpired terms from the list of those voted on in the two most recent elections for that division in the order of the highest number of votes received. If all such persons decline appointment or are no longer eligible for election or there is an insufficient number, the Faculty Executive Committee fills the vacancy for the remainder of the unexpired term. Council members taking leave for not longer than one year may be temporarily replaced during such leave in like manner. Council members taking leave for longer than one year are deemed to have resigned from the Council.

**§ 2-5. Organization.** Pursuant to § 502(D)(2) of *The Code of the Board of Governors of The University of North Carolina*, the chancellor has the right to preside over the deliberations of the Faculty Council. The chair of the faculty presides upon the request of the chancellor. The secretary of

the faculty is secretary of the Council *ex officio*. The presence of a majority of the elected members is necessary for a quorum. The Council may adopt bylaws to govern its proceedings.

**§ 2-6. Meetings.** The Council meets regularly each month from September through April. Special meetings may be called by the chancellor, or, in his or her absence, by the chair of the faculty, and must be called upon the written request of ten members of the Council. It is the duty of all members to attend all regular and special meetings of the Council, save for good cause. If any voting member is absent for two successive regular meetings without cause, the Council may declare his or her membership vacant.

**§ 2-7. Voting.** All members have the right to vote. The presiding officer votes only in case of a tie.

**§ 2-8. Powers.** (a) The Council exercises the legislative powers of the General Faculty:

- 1) to determine the educational policies of the University and the rules and regulations under which administrators and faculty will conduct the educational activities of the University;
- 2) to prescribe the requirements for admissions, programs of study, and the award of academic degrees by the University in the context of the basic educational policies of the University and the special competencies of the faculties of particular colleges and schools;
- 3) to recommend persons for honorary degrees and special awards; and
- 4) to advise the chancellor and other officers of administration and the student body in matters of student conduct and discipline, and to approve any rules and regulations governing student conduct that affect academic standards or performance.

(b) The Council also has power, concurrently with the General Faculty:

- 1) to provide for such standing and special committees as the Council may deem necessary or useful for the effective and expeditious conduct of its business;
- 2) to act upon reports from and to make recommendations to the General Faculty, faculty committees, colleges, schools, institutes, and other units of the University;
- 3) to request information and reports from and to give advice to the chancellor and other officers of administration with respect to any matter affecting the life of the University; and
- 4) to discuss and resolve upon matters relating to the life of the University.

**§ 2-9. Minutes.** Summaries of the actions of the Council are published promptly.

**§ 2-10. Faculty Executive Committee.** (a) The Faculty Executive Committee consists of the chair of the faculty, the secretary of the faculty, and twelve members of the voting faculty elected by

the faculty for renewable three-year terms. The term of office begins on July 1. A member who has served two successive full three-year terms is ineligible for election to the succeeding term.

(b) Members are nominated and elected and interim vacancies are filled in the manner provided for electing other standing committees [§ 4-3], except that the Advisory Committee acts instead of the Nominating Committee.

(c) The chair of the faculty convenes the Faculty Executive Committee and presides at its sessions.

(d) The Faculty Executive Committee has the following powers and duties:

- 1) to exercise the consultative powers delegated to the Faculty Council by §§ 2-8(b)(3) and 2-8(b)(4), above, subject to such restrictions or instructions as the Council may from time to time establish;
- 2) when prompt action is required, to exercise the legislative powers delegated to the Faculty Council by §§ 2-8(a)(1) and 2-8(a)(4), above, subject to confirmation by the Council at its next regular meeting;
- 3) to serve as an advisory committee to the chair of the faculty;
- 4) to represent the Faculty Council and the General Faculty in advising the University administration with respect to issues, such as planning and the setting of University priorities, that the committee deems important to the University's mission;
- 5) to work with the various officers and groups within the University toward the realization of goals set in actions of the Faculty Council;
- 6) to report to the Council at regular intervals, including reporting annually on the status of the implementation of resolutions of the Faculty Council; and
- 7) to serve as members of the Faculty Council as provided in § 2-2(b).

### **ARTICLE 3**

#### **OFFICERS OF THE FACULTY**

**§ 3-1. The chair of the faculty.** (a) The chair of the faculty serves as chair pro tempore of the Faculty Council and of the General Faculty, makes an annual report to the Faculty Council on the state of the faculty, represents the chancellor in all academic matters whenever the chancellor may request him or her to do so, and has such other responsibilities as may be determined by the chancellor or the Faculty Council.

(b) The chair of the faculty serves for a term of three years and is not eligible for immediate reelection. Nominations and elections are held every third year, and the person elected takes office on July 1 following the election. [Amended 3/28/08]

(c) Nominations are made by the Advisory Committee, which announces the upcoming election to all members of the voting faculty and invites recommendations of persons to be nominated. The Committee selects and submits the names of at least two qualified persons. The nominee receiving the highest number of votes in the election is elected, unless he or she has failed to receive a majority of the votes cast. In that event, a run-off election is held between those who received the highest and the next highest number of votes in the previous election, and the person receiving the highest number of votes in the run-off election is elected. Interim vacancies in the office of chair of the faculty are filled through appointment by the Advisory Committee.

**§ 3-2. The secretary of the faculty.** (a) The secretary of the faculty keeps minutes of all meetings of the General Faculty and of the Faculty Council and enters them in the permanent minute books of the faculty, conducts all elections of the General Faculty and the Faculty Council, and conducts correspondence pertaining to elections and actions of the two faculty bodies. He or she maintains files of all nominations and citations for honorary degrees and special awards and also maintains records of the charge, membership, and duration of all committees about which he or she is notified pursuant to § 4-1(b).

(b) The secretary of the faculty serves for a term of five years and is eligible for re-election. The Advisory Committee nominates one member of the voting faculty for the position. The Faculty Council, after opportunity has been given for additional nominations from the floor, proceeds to elect a secretary of the faculty.

**§ 3-3. The faculty marshal.** The faculty marshal is appointed by the chancellor from among the voting faculty for a renewable five-year term. In making or renewing an appointment to this position, the chancellor seeks the advice of the Advisory Committee. The faculty marshal assists the chancellor in planning commencement ceremonies, the annual observance of University Day, and other University-wide academic convocations and ceremonies, and bears the marshal's staff at the head of the academic procession on all such occasions.

**§ 3-4. The faculty athletics representative.** The faculty athletics representative is appointed by the chancellor from among the voting faculty for an indefinite term, subject to formal review at least every five years. In making an appointment to this position or reviewing the incumbent, the chancellor follows a process established with the advice and consent of the Advisory Committee. The faculty athletics representative is the University's voting delegate to the Athletic Coast Conference and the University's faculty representative within the National Collegiate Athletic Association. He or she makes an annual report to the Faculty Council and makes special reports to the Council from time to time as may be requested by the Agenda Committee.

**§ 3-5. Faculty Assembly Delegation.** (a) The delegation of the General Faculty to the Faculty Assembly of The University of North Carolina is composed of four members elected by the voting faculty and the chair of the faculty or the chair's designee. The chair of the faculty designates the chair of the delegation. The Committee on University Government may amend the provisions of this paragraph with respect to the number of members of the delegation when required by a change in the number of members of the Faculty Assembly apportioned to the University. Such amendments are reported promptly to the secretary of the faculty and by him or her to the General Faculty.

(b) The delegation represents the faculty of the University at the Faculty Assembly of The University of North Carolina and reports to the Faculty Council on matters of interest relating to the Faculty Assembly and actions taken by that body.

## **ARTICLE 4 COMMITTEES**

**§ 4-1. Organizational principles.** (a) Standing committees of the faculty are organized as nearly as practicable in accordance with the following principles:

- 1) unless otherwise specified in this Article, a committee consists of no more than seven members;
- 2) unless otherwise specified in this Article, members serve for staggered terms of three years;
- 3) no person may serve more than two consecutive terms on one elective committee;
- 4) elective committees select their own chairs, and appointing officers designate the chairs of committees they appoint;
- 5) necessary aid and assistance is provided to expedite the work of the committees of the faculty;
- 6) service on all standing committees begins on July 1 following election or appointment and end on June 30 of the appropriate year;
- 7) standing committees report to the Faculty Council on their activities at least once each academic year unless the chair of the faculty authorizes the postponement of a committee's annual report.

(b) When University-wide committees with faculty representation, other than those established under this Article, are created, the officer appointing the committee informs the secretary of the faculty of the committee's charge, membership, and duration. When a committee is created by faculty action, its functions are specifically stated in the motion or resolution. When a committee is created by administrative action, its functions are specifically stated in a written communication to the faculty.

(c) Before any new special or standing committee is created, consideration is given to the question whether one of the existing committees could effectively undertake the assignment.

**§ 4-2. The Nominating Committee.** (a) The Nominating Committee consists of the chair of each of the standing committees established by this Article, or the chair's designee, and four members of the voting faculty appointed by the chair of the faculty. Service is for one year. The chair and secretary of the faculty serve as *ex officio*, non-voting members. The secretary of the faculty acts as convenor of the committee and serves as its secretary.

(b) Except as otherwise provided, the committee nominates members of the voting faculty for all positions established by or pursuant to this Article that are to be filled by election. It also makes recommendations for positions that are to be filled by appointment.

**§ 4-3. Procedure for electing standing committees.** (a) Each spring the secretary of the faculty establishes a schedule for conducting elections for the elective standing committees. At least 60 days before the date set for distribution of ballots, the secretary of the faculty announces the opening of the nomination period to all members of the voting faculty. The announcement invites voting faculty members to express interest in being nominated and to recommend other members of the voting faculty to be nominated. Recommendations must be in writing, and no person may be recommended without his or her consent. In addition, the Nominating Committee identifies and recruits faculty members who are willing to stand for election. The Nominating Committee provides the secretary of the faculty with at least two nominees for each vacancy on each elective committee established by this Article.

(b) The secretary of the faculty distributes ballots to the voting faculty, receives completed ballots, and tabulates the votes.

(c) The secretary of the faculty declares the election of the nominees who receive the highest number of votes for each position. In the event of a tie, the secretary determines election by lot.

(d) Interim vacancies are filled by the secretary from the list of those voted on in the two most recent elections in the order of the highest number of votes received unless all such persons decline appointment or are ineligible, or there is an insufficient number, in which case the vacancy is filled by appointment of the chair of the faculty for the remainder of the unexpired term.

**§ 4-4. Procedure for selecting appointed committees.** The Nominating Committee acts in an advisory capacity to the chancellor, the chair of the faculty, and other appointing officers, as those appointing officers deem appropriate, in the appointment of standing and special committees.

**§ 4-5. Advisory Committee.** (a) The Advisory Committee consists of nine elected members, the chair of the faculty, the secretary of the faculty, and the chair of the Committee on Appointments, Promotions, and Tenure.

(b) The committee is advisory to the chancellor in any matter deemed important by the chancellor or the committee, and particularly with respect to:

- 1) proposed amendments to the trustee policies and procedures governing academic tenure;
- 2) academic program planning and assessment;
- 3) appointment of vice chancellors, deans, and other senior administrators;
- 4) recommendations for corrective action
  - i. pursuant to a report of the Faculty Hearings Committee with respect to a decision not to reappoint a probationary-term faculty member, or

- ii. pursuant to a report of the Faculty Grievance Committee with respect to a decision not to promote to a higher rank a person holding permanent tenure at the rank of associate professor or assistant professor; and
- 5) appointment and renewal of appointment of the faculty marshal and appointment and review of the faculty athletics representative. [Added April 24, 2004, to reflect adoption of §§ 3-3 and 3-4; Amended November 6, 2009.]

No faculty member may serve simultaneously as an elected member of the Advisory Committee and the Faculty Executive Committee; the Committee on Appointments, Promotions, and Tenure; the Faculty Hearings Committee; or the Faculty Grievance Committee.

(c) The secretary of the faculty serves as secretary of the committee.

(d) The committee holds regular meetings once each month, at such time and place as fixed by the committee and the chancellor. The presiding officer is the chancellor, or, in his or her absence, the chair of the Advisory Committee. Special meetings may be called by the chancellor or the chair of the Advisory Committee. Notice of a special meeting called by the chair is given to the chancellor. Whoever calls the special meeting presides.

**§ 4-5.1. Committee on Appointments, Promotions, and Tenure.** (a) The Committee on Appointments, Promotions, and Tenure is composed of twelve members of the faculty holding permanent tenure at the rank of professor. Four members hold primary appointments within the College of Arts and Sciences, four hold primary appointments in the School of Medicine, and four hold primary appointments within professional schools other than the School of Medicine. Members are elected by the voting faculty at large for three-year terms. Terms are staggered so that at least one term from each of the three constituencies expires each year. Elected members of the Advisory Committee, the Faculty Executive Committee, the Faculty Hearings Committee, and the Faculty Grievance Committee are not eligible to serve on the committee.

(b) The committee is advisory to the provost in any faculty personnel matter deemed important by the provost or the committee, and particularly with respect to:

- 1) appointments, reappointments, and promotions that have the effect of conferring permanent tenure;
- 2) promotions to a higher rank of persons holding permanent tenure at the rank of associate professor or assistant professor;
- 3) appointments to distinguished professorships that are not restricted by the terms of the endowment to a particular school or department.
- 4) Review of school and departmental statements of criteria for appointment, promotion, and tenure. [Amended November 6, 2009.]

(c) The committee holds regular meetings once each month throughout the calendar year.

**§ 4-6. Educational Policy Committee.** (a) The Educational Policy Committee is composed of nine members elected by the faculty for staggered three-year terms, one undergraduate student

appointed by the chair of the faculty for a one-year term on recommendation of the president of the Student Body, and one graduate or professional student appointed by the chair of the faculty for a one-year term on recommendation of the president of the Graduate and Professional Student Federation. The university registrar is an *ex officio* non-voting member.

(b) The committee is concerned with those matters of educational policy and its implementation as to which the Faculty Council possesses legislative powers by delegation from the General Faculty under Article II of the *Code*. The committee's function is advisory to the Faculty Council, and it exercises its advisory function by:

- 1) routinely taking on reference from the Faculty Council any matter lying within its range of concern that has been formally presented to the Council for study or for action, and on which the Council desires to have substantial committee study prior to undertaking formal consideration;
- 2) from time to time taking on reference from the Faculty Council any specific proposal that has come through the normal administrative channels for approval by the Council (such as adding or dropping academic programs) and on which the Council desires further review and advice prior to taking final action;
- 3) acting as a council of advice for the university registrar in administering faculty regulations concerning student records and transcripts, registration, class and examination schedules, grading systems, grade reports, academic deficiencies, probation, and readmission;
- 4) setting general policy on the kind of catalogs to be issued, their content, and their design; and
- 5) originating studies of particular matters lying within its range of concern by requesting authority from the Faculty Council to make such studies, conducting the studies if authorized, and reporting the results of the studies to the Council.

(c) In considering any matter referred to it and prior to its report to the Faculty Council, the committee provides reasonable opportunity for comment upon the matter by members of the faculty and of the student body.

**§ 4-7. Faculty Athletics Committee.** (a) The Faculty Athletics Committee consists of nine members elected by the voting faculty. The faculty athletics representative, if not otherwise an elected member of the Faculty Athletics Committee, is an *ex officio* member of the committee. [Amended April 23, 2004, to reflect adoption of § 3-4.]

(b) The committee is concerned with informing the faculty and advising the chancellor on any aspect of athletics, including, but not limited to, the academic experience of varsity athletes, athletic opportunities for members of the University community, and the general conduct and operation of the University's athletic program.

**§ 4-8. Faculty Grievance Committee.** (a) The Faculty Grievance Committee consists of ten elected members, and is structured to represent faculty of all ranks. Three of the members are elected at the time they hold the rank of professor or librarian, three at the time they hold the rank of

associate professor or associate librarian, three at the time they hold the rank of assistant professor or assistant librarian or general librarian, and one at the time he or she holds a fixed-term appointment. A member's promotion in rank during a term of office does not terminate his or her membership. One professor or librarian, one associate professor or associate librarian, and one assistant professor or assistant librarian or general librarian are elected each year. One person holding a fixed-term appointment is elected every third year.

(b) The committee is authorized to hear and advise with respect to the adjustment of grievances of all persons designated as members of the Faculty by the *Trustee Policies and Regulations Governing Academic Tenure* and those librarians who are members of the General Faculty. The power of the committee is solely to hear representations by the persons directly involved in grievances, to facilitate voluntary adjustment by the parties, and to advise adjustment by the administration when appropriate. Advice for adjustment in favor of an aggrieved faculty member may be given to the chancellor only after the dean, department chair, or other administrative official most directly empowered to adjust it has been given similar advice and has not acted upon it within a reasonable time. [Amended February 11, 2005, to delete references to mediation.]

(c) As to members of the General Faculty, grievances within the committee's jurisdiction include matters directly related to a faculty member's employment status and institutional relationships within the University, except for those within the jurisdiction of the Faculty Hearings Committee or arising from the termination of an administrative appointment.

(d) As to graduate students or others who have teaching duties, grievances within the committee's jurisdiction include only those which meet all four of the following conditions: (1) they arose in connection with the grievant's teaching duties, (2) they raise a question of academic freedom, (3) the dean or chair with immediate responsibility for the grievant has no authority to fashion an appropriate remedy, and (4) there is no other appropriate grievance procedure.

(e) No grievance may be considered except on the basis of a prior written statement of its nature by the aggrieved faculty member nor until determination is made that an unsuccessful attempt has been made by the faculty member to resolve it with the administrative official most directly concerned.

(f) The committee may act as a whole or, by designation of the chair, in panels of two or more, for the consideration of particular grievances. It may promulgate rules of procedure for its operations. When promulgated, these rules constitute the exclusive formal procedures for the adjustment of faculty grievances herein described. No formal appeal procedure is provided.

**§ 4-9. Faculty Hearings Committee.** (a) The Faculty Hearings Committee is composed of six faculty members elected by the voting faculty. Members must hold permanent tenure when elected.

(b) The committee performs functions assigned to it in the *Trustee Policies and Regulations Governing Academic Tenure*.

**§ 4-10. Financial Exigency and Program Change Committee.** (a) The Financial Exigency and Program Change Committee consists of twelve elected members, six from the Division of Academic Affairs and six from the Division of Health Affairs, each of whom must hold a tenured or

probationary term appointment when elected. The chair may be re-elected by the committee to successive one-year terms as chair.

(b) The committee discharges the functions provided in § 6 of the *Trustee Policies and Regulations Governing Academic Tenure*, in accordance with the following procedures:

- 1) In considering the chancellor's preliminary statement (*Trustee Policies*, § 6.c), the committee requests advice in the form of a written report from the chair and faculty of each department which in the judgment of the committee might be directly affected by the adoption of any option potentially involving terminations of faculty employment which is described in the chancellor's statement. The committee may request advice on any matter deemed by the committee to be relevant to the problem presented by the chancellor's statement, but in any event requires response directly to the following points:
  - i. in the case of financial exigency, whether other options than any affecting the particular department would better serve the interests of the University, and how, if any option directly affecting a particular department were to be implemented, a sound and balanced educational program might be maintained by the department without any, or a minimum of, terminations of faculty employment;
  - ii. in the case of program change, whether on balance it is justified, and how, if it is to be effected, this may be accomplished without any, or a minimum of, terminations of faculty employment.
- 2) In considering the chancellor's proposal for specific action (*Trustee Policies*, § 6.f), the committee requests advice in the form of a written report from the faculty and chair of each department identified in the proposal as a unit to be directly affected by the proposed action. If a professional school does not have an administrative board, the duties described in subsection (b), below, are performed by the faculty as a whole or by a duly established body representative of the faculty.

Except as otherwise specified in this Code, the majority of the members of an administrative board are members of the faculty of the school or unit concerned. The term of office is three years. A chair's appointment is terminated only for good cause shown and the chair is entitled to a specification of the reasons. The chair has the right to appear in person before the Advisory Committee to present his or her perspective on the situation. Members of the school or departmental faculty who are members of the voting faculty as defined in § 1-4 of the Faculty Code are eligible to vote in faculty meetings, except that voting privileges with respect to faculty appointments, reappointments, and promotions are limited to members holding tenured or probationary-term appointments.

## **APPENDIX B**

### **RULES OF PROCEDURE OF THE FACULTY COUNCIL**

(Adopted by the Council March 7, 1952, and amended April 4, 1953; January 6, 1956; May 4, 1956; February 5, 1960; January 10, 1964; December 4, 1964; April 11, 1969; October 18, 1974; December 12, 1975; January 16, 1981; and January 15, 1999.)

1. The meetings of the Council are open to members of the General Faculty, who may enter into the discussions of the Council upon recognition by the chair. Matters for consideration may be brought before the Council by any member of the General Faculty, either from the floor at a Council meeting, or by presentation to the Committee on Agenda in advance of the scheduled meetings.

Other members of the University community who are not members of the General Faculty may attend Council meetings as observers unless a particular meeting has been declared closed. The Agenda Committee in preparing the agenda for a Council meeting determines whether that meeting is declared closed to all but faculty members, or whether certain items on the agenda should be considered in closed session. By a vote the Council may, of course, at any time during an open meeting decide to go into closed session.

2. *Roberts Rules of Order* (the current edition), except as otherwise herein provided, governs the procedure of the Council.

3. Meetings of the Council automatically adjourn at 5:45 p.m.

4. The agenda for each meeting of the Council is prepared by the secretary in consultation with the Committee on Agenda of the Council and distributed by the secretary in advance to all members of the General Faculty and of the Council.

5. The text of any proposal involving any considerable detail is presented in writing to the secretary sufficiently in advance to be summarized in the agenda or distributed in connection therewith.

6. Final action may not be taken on any proposal for legislation without due notice. Due notice consists of either (i) a summary of the proposal at the preceding meeting or (ii) distribution of the text or a summary of the proposal in connection with the agenda for the meeting at which action is to be taken.

7. Proposals for inclusion in the catalog relating to the requirements for admissions, programs of study, and degrees, are first presented to the Committee on Agenda to determine whether action by the Council is required.

8. There is a Committee on Agenda of the Council, whose primary responsibility is to program the work of the Council. This does not preclude the initiation of proposals from the floor. The Committee on Agenda consists of the chair of the faculty, as chair, and of five elected members of the Council, each representing a separate electoral division of the Faculty, appointed by the chair annually at the April meeting of the Council, to serve for the next academic year.

9. There are such other committees of the Council as may be deemed necessary by the Council. The members thereof, except when otherwise expressly provided, are appointed by the chair of the faculty to serve until the close of the next calendar year.

10. All members of all Council committees, including the Committee on Agenda, are eligible to succeed themselves, while they remain members of the Council. Interim vacancies are filled by appointment by the chair of the faculty.

11. The annual reports to the Council of the standing committees of the faculty are presented in writing and orally at such times during the academic year as determined by the Committee on Agenda. Each report covers the work of the previous twelve months, with recommendations.

12. Once each year, the Council, through an appropriate committee or otherwise, as the Committee on Agenda determines, surveys the operation of all standing committees of the faculty and of the Council, for the purpose of determining which, if any, should be discontinued, reorganized, consolidated or strengthened, and which new ones should be created. Such recommendations are referred to the General Faculty for action.

13. These rules are effective upon their adoption. Any of them may be amended, repealed, or suspended by a two-thirds vote of the members present at a meeting of the Council. New rules may be adopted in the same manner.

## **APPENDIX C**

### **STATUS OF GRADUATE STUDENTS INVOLVED IN INSTRUCTIONAL AND RESEARCH PROGRAMS**

(Adopted by the Council January 10, 1969)

1. Graduate student teaching appointees receive original letters of appointment and subsequent annual letters of appointment containing the terms of the contract with respect to time, nature of service, and remuneration, clearly stating that such appointments are contingent on satisfactory academic work as graduate students, and reserving the assignment of duties, including reassignment and termination, to the judgment of the department. The letters contain provisions for supervision and review of the performance of the appointees.

2. Effective September 1, 1969, the University should adopt an official set of titles for graduate students involved in instructional and research programs. The official titles to be used in all catalog listings and on personnel action forms should be:

1. **Graduate assistant** for graduate students who duties do not involve direct instruction of students;
2. **Teaching assistant** for graduate students who actually meet classes and laboratories; and
3. **Teaching Fellow** for special recognition of outstanding performance.

4. The University should establish formal grievance procedures for graduate assistants, teaching assistants, and teaching fellows:
  - Each instructional unit (Department or School) should establish a Grievance Committee with representation from the graduate assistants, teaching assistants, or teaching fellows to review grievances arising in connection with the graduate students teaching responsibilities. Such a committee should hear the student after it has been established that the grievance could not be settled between the appointee and the Departmental chair. Requests for a hearing must be received in writing prior to the hearing.
  - An appeal beyond this committee may be made to an Appeals Committee, appointed for each case by the Graduate dean, consisting of a member of the Graduate School Administration, as chair of the committee, two members of the Administrative Board of the Graduate School, and two graduate students holding appointments. No member of the Appeals Committee should be from the department involved.
