DEADLINE IS MARCH 18!

HOROSCOPES

If February 23rd is Your Birthday...
This is the time to finally surrender to your calendar. There's so much going on that you need to get good at keeping a schedule. Make sure to balance your social and your work lives, or you may get worn out too soon. Enjoy every single minute.

To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

Aries (March 21-April 19)

Today is a 7 - When you focus on limitation, that is all you'll see. Take time to notice what's available. There are more resources than you first see to surpass obstacles.

Taurus (April 20-May 20)

Today is a 7 - With all the social activity going on, take some time to yourself to think things over. Practice meditation, whether simply by breathing or doing dishes.

Gemini (May 21-June 21)

Today is a 9 - A lot of energy fluctuates around your career for the next few days. You feel competent, energetic and ready to take it on. You're grateful to be of service.

Cancer (June 22-July 22)

Today is a 7 - Your mind wants to go on vacation. Go ahead, and take that trip. If traveling is out of the question, armchair vacations are all the rage. Add a bubble bath.

Leo (July 23-Aug. 22)

Today is a 6 - Let the right side of the brain rule today. Paint a picture. If you don't think you can paint, think again. Who says you have to follow the rules? Art is relative.

Virgo (Aug. 23-Sept. 22)

Today is a 5 - It's time to write letters to special people. Communicate your love, admiration and respect for lasting impact. They weren't expecting it.

Libra (Sept. 23-Oct. 22)

Today is a 7 - Try mundane activities with your eyes closed, like brushing teeth. Really notice the moment. You may discover something new in the familiar. It's a good metaphor.

Scorpio (Oct. 23-Nov. 21)

Today is an 8 - Your ideas keep pouring out. Write them down. Learn a new creative hobby. Remember that the joy lies in the process and not necessarily the end result.

Sagittarius (Nov. 22-Dec. 21)

Today is a 7 - It's time for quiet reflection. Meditate. Look into your heart. Listen to silence. Spend time with Mother Nature. She loves you unconditionally.

Capricorn (Dec. 22-Jan. 19)

Today is a 7 - The clouds are parting, and you see everything clearly now. Get a new notepad for doodling and writing it down. Don't buy on credit. Save up for what you need.

Aquarius (Jan. 20-Feb. 18)

Today is an 8 - Be grateful for your work. Share your knowledge. You can contribute to others without spending a pretty penny. Offer kind words and the gift of your time.

Pisces (Feb. 19-March 20)

Today is an 8 - Your social life just got busier. You may want to go on a long adventure. Be ready to have others who want to come along for the ride. Why not?
