Announcements

NOTICE TO ALL DTH CUSTOMERS

Deadlines are NOON one business day prior to publication for classified ads. We publish Monday thru Friday when classes are in session. A university holiday is a DTH holiday too (i.e. this affects deadlines). We reserve the right to reject, edit, or reclassify any ad. Acceptance of ad copy or prepayment does not imply agreement to publish an ad. You may stop your ad at any time, but NO REFUNDS or credits for stopped ads will be provided. No advertising for housing or employment, in accordance with federal law, can state a preference based on sex, race, creed, color, religion, national origin, handicap, marital status.

HOROSCOPES

If February 15th is Your Birthday...
 You have much to learn still. Once you realize that, your horizons expand. Follow your own path, and don't be afraid to aim high. You'll find satisfaction in contributing to others. Making other people's wishes come true becomes part of your wish.

To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

Aries (March 21-April 19)
 Today is a 6 - It's a good day to take one stride at a time. You don't have to venture far if you don't feel like it. Trust yourself. You can do it.

Taurus (April 20-May 20)
 Today is a 6 - Communication seems easy today. However, measure your words. Be cautious about new business endeavors. Do the research before making decisions.

Gemini (May 21-June 21)
 Today is a 6 - Slow down in the risk-taking today. Caution is recommended in love and business relationships. Leave your money in the bank. Take it easy.

Cancer (June 22-July 22)
 Today is a 7 - Your personal confidence is on the rise. Your economic confidence may take a couple more days to reach its peak this month. Plan and budget wisely.

Leo (July 23-Aug. 22)
 Today is a 7 - Complaints can take you far, but only if you take them to someone who can do something about them. Otherwise, you may as well save your breath and focus on being productive.

Virgo (Aug. 23-Sept. 22)
 Today is a 6 - You may have to be cautious in your romantic and professional relationships today, but you can always depend on a good friend. Talk it over.

Libra (Sept. 23-Oct. 22)
 Today is an 8 - Do you think you're the only one that worries too much? Go ahead and worry. If you must, but everything works out in the end. Be open to new work opportunities.

Scorpio (Oct. 23-Nov. 21)
 Today is a 6 - Your sense for adventure takes you down the road less traveled, even if you hesitate or question your judgment. Go ahead and play full out.

Sagittarius (Nov. 22-Dec. 21)
 Today is a 6 - Today you may question your purpose in life. Inquire openly, and listen to what comes back. For clues, examine what you love most.

Capricorn (Dec. 22-Jan. 19)
 Today is a 6 - A power play may occur behind the scenes. If confusion ensues, take time to get clear about your ideas. A female pays you back for a previous kindness.

Aquarius (Jan. 20-Feb. 18)
 Today is a 7 - Seek help from a female teacher. Pay special attention to color today, and find harmony in your projects. You give it extra significance and special shine.

Pisces (Feb. 19-March 20)
 Today is a 7 - What if you could view every challenge as just one simple step towards reaching a goal? Each test could win you some new, invaluable skill.
