Dear Fair Friends,

It is hard to believe, but the 2019 N.C. State Fair is just a few months away. If winning a blue ribbon at the State Fair is on your bucket list, now is the perfect time to begin planning for the competition. The online 2019 North Carolina State Fair Competitions Premium Book will provide all the details you will need to put the final touches on your entries.

Within this guide, you will find a range of competition categories, including culinary, arts and photography, 4-H exhibits, hobbies and handicrafts, sewing, quilting and needlepoint, flowers, gardening, fruit and vegetable production, livestock production and much more. The competitions are a Fair tradition that have carried on for more than 160 years.

Our theme, "Nothing Could Be Finer," speaks to our vision for this annual event and the level of competitive talent. The fair is all about seeking out and showcasing the finest of North Carolina. Every year I am amazed at the talent I see on display during the State Fair, and I look forward to seeing this year's entries. The State Fair is a fun way to celebrate everything that is uniquely North Carolina.

It wouldn't be the N.C. State Fair without our world-class midway, the deep-fried foods, music and free grounds entertainment. We believe it offers something for everyone. Because truly, "Nothing Could Be Finer" than to be in North Carolina at the N.C. State Fair!

Take the time to find the right competitions for your talents, get started on your latest masterpiece, and we look forward to seeing you at the 2019 N.C. State Fair, Oct. 17-27.

Sweet potato exhibits will be sold at current market price by the N.C. State Fair, and monies will be sent to exhibitors according to the estimated poundage in their entry. Exhibitors wishing to pick up their sweet potato exhibits must inform the Superintendent at the time of entry, and are responsible for picking up their entries on Monday, October 28 by 5:00 pm

HORTICULTURE RULES AND REGULATIONS

Except in cases of conflict, in which event the following Rules and Regulations will prevail, the General Rules and Regulations of the Fair will govern this department. Be sure to read the [information and general rules for exhibitors and patrons](#) before entering or competing in this department. Some, but not all, are repeated herewith for emphasis, and others apply only to this department.

Make your entries early! The right is reserved to reject entries not properly entered. All entries will be judged, but not all entries will be displayed if space becomes limited. Entry forms can be found at www.ncstatefair.org under competitions or by contacting the NC State Fair Entry Department at (919)839-4515.

Entry Tags can be picked up at the exhibition area. An Entry Tag must be attached to each exhibit before it is presented in the Department for display. Variety names are to be written on the backs of the tags. If possible, it is urged that all horticulture products be brought in and prepared for exhibit by the exhibitor. Where it is not possible, shipments with copies of previously submitted entry forms sent in by the entry closing date, should be shipped (signature required) in time to reach the Fairgrounds no later than Tuesday, October 9, and should be addressed to: Superintendent, Horticulture Department.

ENTRIES MAY BE SHIPPED VIA UPS OR FED EX TO:

N. C. State Fair, Attn. Entry Department
1025 Blue Ridge Road
Raleigh, N. C. 27607

MAILED TO:

N. C. State Fair, Attn. Entry Department
1010 Mail Service Center
Raleigh, N. C. 27699-1010

Where it is not possible to personally bring the products to the Fair and arrange them, Superintendents will be glad to arrange the products in the most attractive manner possible. However, they will not pack, plate, box or basket entries for exhibit. Exhibits mailed or shipped to the Fair should be carefully labeled to show the name and address of the exhibitor, and the nature, and class in which entered, and the contents of the package.

The State Fair will furnish plates, trays and boxes for exhibits, but no other containers. The number of specimens for each plate display is specified in the premium list. Standard size tray, 11½ x 18 inches inside measurements and 6 inches deep will be used. Standard size box, 11½ x 18 inches inside measurements and 6 inches deep will be used for commercial sweet potato categories. All other commercial categories will use the 3 inch deep tray. Exhibitors should make a tray of the required dimensions and pack the exhibit to determine the number of specimens required. At least one extra specimen for each plate, and three or four extra specimens for each tray, should be brought or shipped to the Fair to allow for possible damage in transit. To insure uniformity in exhibit material and to facilitate judging, the following sizes for apple varieties will be recognized. This list is not exclusive. The Superintendent may add or delete varieties in order to maintain the overall quality of products on display.

Variety	Diameter
Arkansas	3 to 3 1/2 inches
Braeburn	2 3/4 to 3 inches
Fuji	2 3/4 to 3 1/4 inches
Gala	2 3/4 to 3 1/4 inches
Golden Delicious	2 3/4 to 3 1/4 inches
Granny Smith	3 1/8 to 3 3/8 inches
Jonagold	2 3/4 to 3 1/2 inches
Jonathan	2 3/4 to 3 inches
Red Delicious and named bud sports	2 3/4 to 3 1/4 inches
Rome and named bud sports	3 to 3 3/4 inches
York and named bud sports	3 1/8 to 3 3/8 inches

Fruits and vegetables to be exhibited in plates and trays should be carefully wrapped and packed for shipment to the Fair. Wrap separately in paper and pack firmly in a box, taking care to avoid bruising. Label each variety plainly and put in dividers to keep varieties separated. Do not use hay, fodder, excelsior or any other dusty packing material. Any exhibit that rots, is unsightly or becomes unsightly will be removed from display (after judging) at the discretion of the superintendent.

QUALITY - NOT QUANTITY

In selecting horticultural products for exhibit, choose only those specimens that are of uniformly good quality, form and color, true to type, and free from all insect and disease blemishes, and free from cuts and bruises. Premiums offered for the best collection of fruits or vegetables will be awarded mainly on the basis of quality. Do not knock or shake fruit from the tree, but pick each specimen by hand. Products should be exhibited as nearly as possible in their natural state, and no preference will be given for highly polished fruits or vegetables.

Entries of "Commercial" containers of apples and sweet potatoes should be graded to uniform marketable size, high color, smoothness, trueness to type, freedom from cuts and bruises, and free from insect and fungus blemishes. They should be properly packed and placed in containers provided by the N.C. State Fair.

Entries of "Collections" and under "Any Other Variety" must be correctly named on the entry tag by the exhibitor. In the nomenclature of fruits, the names adopted by the American Pomological Society shall rule, and no variety will be accepted that has not been admitted to their catalog, except in the case of seedlings never before exhibited.

Entries of heirloom apples and heirloom tomatoes are limited to named varieties known to have been grown for at least 100 years. Name of variety must be on the back of the entry tag. Grower's name may not be displayed on exhibit until after the judging.

AWARDS AND JUDGING

No award will be made for unworthy specimens, where quality is lacking, or where any of the Rules and Regulations governing these exhibits are disregarded.

No article entered for competition in any class will be permitted to compete for a premium in any other class.

An exhibitor cannot compete for more than one prize in any class.

No exhibitor will be allowed to discuss exhibits with the judges, or to interfere in any way while the judges are at work.

BEES AND HONEY COMPETITION RULES AND REGULATIONS

COMPETITION: All bee and bee products entered in competition must have been produced in North Carolina. Except in cases of conflict, in which event the following rules and regulations will prevail, the general rules and regulations of the fair will govern this department. Be sure to read these in the front of the online premium book before entering or competing in this department. Some — but not all — are repeated herewith for emphasis, and others of the following rules and regulations apply only to this department.

HONEY ENTRIES: All honey entries are limited to honey made in North Carolina during the current season, with the exception of mead. Preference in judging will be given to those beeswax entries which were made during the current season. All honey and beeswax entered by an exhibitor must have been produced by the exhibitor. All types of honey displayed must be protected from honeybees and other insects. Cellophane, glass, or transparent material of some other suitable type is recommended for this purpose. Honey jars should have no labels.

MAKE YOUR ENTRIES EARLY! The right is reserved to reject entries received after all available space is taken. Official forms must be used in making applications for entry. Forms may be printed from the website at www.ncstatefair.org under the Bees and Honey Department competition listing. Online entries are also available on the site as well. Paper forms can also be requested from the N.C. State Fair Entry Department by calling (919)839-4515. Use separate forms for entries in other departments. Be sure to fill in the application form completely, accurately and legibly. Give your rural route number, apartment number, post office box number, or city street address and zip code, phone number and social security number. No labels on honey jars. Any name or reference to the exhibitor (other than entry number) on any entry including the display booth must be covered prior to judging. Preference in judging displays will be given to those exhibits made during the current season or which bring a significantly new look to their previous display.

MAILED ENTRIES: Exhibitors are urged to personally deliver their exhibits at the Fair, but if this is not possible PRE-PAID shipments of non-perishable entries will be accepted if addressed to Director, Bees and Honey Department, NC State Fair, 1010 Mail Service Center, Raleigh, NC 27699-1010. Shipments should be carefully labeled and should indicate on the outside and inside of the package the Lot Number under which entered, a description of the contents of the package, and the exhibitor's name and address. Instruction for return or disposal of shipments at the end of the Fair must accompany each shipment. Entry forms will be accepted beginning Monday, July 1, 2019. All paper entry forms must be delivered by 5:00pm, September 15, and all online entries must be completed before midnight, September 16. Exhibits should be brought to the Exposition Center to pick up tags. Foods cooked with honey and display booths must be in place for judging by 7:00pm, Tuesday October 15. Return shipments will be made via express with transportation charges collect unless otherwise provided for.

Comb honey and all other exhibits should be packed with care, according to parcel post or express regulations, so as to arrive in good, clean condition.

Additional entry application forms and further information regarding this department may be obtained by writing or otherwise contacting: Plant Industry Division, North Carolina Department of Agriculture, phone (919) 233-8214, or N.C. State Fair Entry Department, (919) 839-4515 (address above).

Baked and other perishable entries must be personally delivered to the Fair, will become the property of the Fair, and will be discarded on Monday, October 28, 2019.

RESERVATIONS FOR COUNTY ASSOCIATION BOOTHS: County association booth space may be reserved on or before August 1st. Reserve space by contacting Adolphus Leonard - adolphus.leonard@ncagr.gov. Booths not requested by this date will be assigned by invitation. Booth space will be allocated on basis of show record of applicant if there are more applicants than available space. Exhibitors may begin setting up displays at 11:00am Sunday, October 13 and must be in place for judging by 7:00pm on Tuesday, October 15, 2019.

COUNTY ASSOCIATION BOOTH REGISTRATION GUIDELINES:

- Designate someone from your association to register entries on behalf of your association. This person should serve as a contact for questions from the fair concerning the association's entries.
- Competition information for 2019 will be posted on the fair's website at www.ncstatefair.org in early July.
- Registration forms may be submitted by mail or online through the North Carolina State Fair website at www.ncstatefair.org beginning Monday, July 1, 2019. The deadline for registration is Sunday, September 15, 2019.
- Register all entries under the beekeeping association's name, not the representative's name, and list the Federal Tax ID number for the association.
- When registering online, you will be prompted to setup an account for your association. Please enter your association's information as follows:
Example: Division: Open
First Name: Wake County
Last Name: Beekeeping Association
Address: Please enter the address of the person responsible for receiving correspondence and potential premium checks.
- Please enter a phone number, cell phone and email address for contact purposes. Ignore extra fields that do not apply to your organization such as grade, age, etc.
- Please enter the association's Federal Tax ID number in the field marked Federal ID#. Our accounting department is aware that several associations share the same ID number, and they will assign a separate identifier to each association registered in order to differentiate between associations.
- After setting up your association's online account, click on the Premium Book tab at the top of the welcome screen and choose the Bees & Honey Department from the drop down list. If you are registering for a display booth (Lot 36), please register for the booth and any potential categories that will be exhibited in your booth.

- Individuals who wish to have their entries judged as part of the association's display booth and on an individual basis must also register their entries in their individual name as a separate account with their Social Security Number if they wish to be eligible for any premiums won. For example, if an individual has six jars of honey, they may register three jars of honey under their name, and a separate entry of three jars of honey under the association's name. The same physical entry cannot be registered under two accounts. Placings awarded to individual entries that are displayed with display booths will not count toward the overall booth score.
- If you have questions, please contact the Entry Department at (919)839-4515 for assistance.

REGULATIONS FOR COUNTY ASSOCIATION BOOTHS:

There will be no peddling, hawking, or selling of any kind in or around booths that is not in keeping with Fair policy. Booths must be kept clean and neat. All items not on exhibit must be removed from exhibit area or stored in storage space under the booth. No boxes or other material shall be left on the floor behind the booths.

FACTORS TO BE CONSIDERED IN JUDGING HONEY EXHIBITS:

These factors are general guides for the use of judges and exhibitors. The assignment of points for each factor in judging will be at the discretion of the judges. The moisture content of honey entries will be checked by the superintendents upon receipt at the Fair, if requested.

FOODS COOKED WITH HONEY

1. All entries in this class must contain honey as one of the principal sweetening ingredients.
2. The purpose of this competition is to demonstrate skill in the use of honey in cooking. Therefore, the proportion of honey in the recipe will be a primary consideration in scoring by the judges. There are no other ingredient restrictions, and commercial mixes may be used. Factors such as whether the entry is representative of the entered class and freshness of the product will be considered in the judging. It will be the responsibility of the exhibitor to see that entries are correctly classified and tagged. The score cards used in Department CUL (Culinary) will be used as guides in judging foods cooked with honey.
3. Place cakes on pieces of very heavy cardboard which has been covered with foil or wax paper. Cardboard should extend one inch beyond the cake on all sides. Punch a hole in the cardboard base so an entry tag can be tied through it. An entry tag will be provided when the entry is delivered. Place the unwrapped entry in a large clear food grade plastic bag (plastic wrap is not acceptable) with the entry tag extending outside the bag. You must supply your own plastic bag. None will be available at the Fair entry office. Entries may be transferred to clear plastic containers by the judges for display. Any liquid entries should be in disposable containers.
4. Entries must be prepared from ingredients compatible with commonly accepted recipes for the class in which are entered. Each entry must be accompanied by a recipe on a 3x5 or suitable card using only one side of the card (may be placed in a zip lock bag). Exhibitors are required to enter at least $\frac{1}{2}$ of a cake and bread, 7 cookies or enough to cover an 8" plate for judging. Junior and Senior entries cannot be from the same cake. Commercial mixes are acceptable but not ranked as highly as items made from scratch. All entries will be discarded at the end of the Fair unless other arrangements have been made with the superintendent. Assistance may be provided to Junior participants but the entry must be primarily the effort of the entrant.
5. Please take into consideration that entries made and brought to the Fair too early may mold before judging and therefore will not be judged.

Important IRS information:

Internal Revenue Service (IRS) regulations require that we have the Social Security Number (SSN) or Taxpayer Identification Number (TIN) which corresponds to the name to whom the check or prize money is written. If we are notified by the IRS that the SSN or TIN does not match the name of record, we will have to backup withholding taxes and you may be subject to a \$50 penalty by the IRS. A separate form should be used for each SSN/TIN. You must provide this information to be eligible for prize money. Also IRS regulations state that any prize money totaling \$500 or more in a calendar year must be reported on a Form 1099.

1. Exhibitors will be allowed to register without disclosing a SSN.
2. Exhibitors are fully aware that choosing NOT to disclose their full SSN at the time of registration, even if the exhibitor has submitted an entry form in the past, forfeits any and all premium monies they were entitled to.
3. State Fair staff will not contact winning exhibitors following the fair who did not submit their SSN at the time of registration, and will not have access to or reference Social Security Numbers submitted in previous years.
4. State Fair staff will not accept any calls/emails/etc. from winning exhibitors who choose not to disclose their SSN at the time of registration.
5. Prizes such as ribbons, medals, rosettes and plaques will be awarded to winning exhibitors who do not disclose their SSN at the time of registration.

Manager, N.C. State Fair - Please accept the following entries, subject to the Rules and Regulations of the North Carolina State Fair, as listed in the online Premium Book, by which I agree to be governed in exhibiting. All statements made in connection with said entries are true.

- This class open to youth only and premiums to be the same.
- Youth Exhibitors ages 9 through 18, may enter up to 30 birds in any Youth Poultry Class (201-206). The rules and regulations, entry fees and awards are the same for both classes. Youth can make additional entries in the open show with different poultry.
- A champion in each class in the Youth show will be selected. The champion will receive a rosette.
- Youth entries can come from one class or mixed entries from the six classes.

POULTRY RULES AND REGULATIONS

(See Poultry Exhibitor's Certificate on the Poultry Department page at www.ncstatefair.org under Competitions.)

- Except in cases of conflict, in which the following Rules and Regulations will prevail, the General Rules and Regulations of the Fair will govern this department.
- Make your entries early
- The right is reserved to reject entries received after all space is taken.
- Online or official printed forms must be used in making applications for entry. Additional copies are available upon request or online at www.ncstatefair.org under the competitions tab. Use separate forms for entries in other departments of the fair.
- Social Security numbers are required for all exhibitors in order for prize money to be awarded.
- In filling out the form, in the first column write the Class number; in the second column write the Lot number; in the third column write in the breed description exactly as it appears in the catalog. An example - when entering your large sized Silver Penciled Wyandotte cockerel in the Open Show, you would write Class 101 in the first column and 61 in the Lot number column, followed by the description. The same breed of bird being entered in the Youth show would be Class 201 in the first column and 61 in the Lot number column. In the column headed: "Leg Band No." Be sure to list this exactly as the bird will be banded when brought to the fair. Important: list only one bird on each line of the application form.
- Space cannot be reserved until receipt of the coop fee, and, remember: The right is reserved to reject entries after all available space is taken. A coop fee of \$3.00 for each bird exhibited must accompany your application form.
- Please note: No changes will be made to the entry listing after the September 15, 2019 deadline.

- All birds must be entered in the name of the owner, who must have owned the birds for at least 60 days before the closing date for entries.
- All birds are entered at the risk of the owner, and the State Fair management will not be responsible for any loss or damage, but will exercise all possible vigilance in the care of exhibits. No one will be allowed to handle fowl on display except the owners and officials of the show, without permission of the directors.
- The right is reserved to coop two or more birds of the same variety, and belonging to the same person, together if absolutely necessary. In no case will two male birds be placed in the same coop.
- The Fair staff works diligently to prevent diseased animals from entering the fairgrounds, though owners should consider that animals may be exposed to infectious agents while at the Fair. It is a Best Management Practice to keep animals returning from the Fair separate from your animals at home for 2-3 weeks. By isolating exhibited animals for this time you have the opportunity to see if they were exposed to disease and infected while at the Fair.
- The American Standard of Perfection will be the guide of the judges in awarding premium. The premiums will be paid only on standard varieties listed in this catalog, and then only to worthy specimens. To win first premium, a bird must score at least 88 points; for second premium, 87 points. For less than 87 points, third and fourth prizes will be awarded.
- The decision of the judges will be final. Protest will be entertained only when addressed to John Buettner, Competitive Exhibits Coordinator within three days following the award, and then only when accompanied by a protest fee of \$5.00. Basis for protest: (1) Placing a disqualified bird; (2) Fraud; and (3) Clerical error. This fee will be forfeited unless protest is sustained by a majority of the judging staff and officials of the show.
- After the judging, the management will endeavor to place on the coops any advertising material supplied by the exhibitor for his coop.
- Mail entries, make checks for coop fees payable to, and address requests for additional entry application forms and further information, to
N.C. STATE FAIR Entry Department, 1010 Mail Service Center,
Raleigh, NC 27699-1010

POULTRY

All poultry exhibited at the North Carolina State Fair shall have been in the possession of the exhibitor for sixty days or more prior to the date of the Fair. By registering entries in this department, exhibitors are acknowledging their compliance with the "Poultry Exhibitor Certificate" found on the paper Poultry Entry Form, and on our website at www.ncstatefair.org under the Poultry Department listing.

All chickens and turkeys for exhibition at the Fair will originate from U.S. Pullorum-Typhoid Clean or equivalent flocks or have a negative pullorum-typhoid test within 90 days of admission to the Fair. The test requirements may be satisfied by a negative test conducted by an official state tester at the time the birds are brought to the Fair. The fee for pullorum-typhoid testing at the fairgrounds will be ten cents per bird, with a minimum fee of \$1.00 per exhibitor.

No poultry shall have received a live virus vaccine within 45 days prior to entering the Fair. It is recommended that all birds be vaccinated for laryngotracheitis with a modified live virus vaccine at least 45 days and not more than one year before the show.

All chickens, turkeys and guineas must be identified with numbered tamper-proof bands. Bands placed on birds tested by state testers will satisfy this requirement. Poultry entered at the Fair are subject to examination (including blood test and swabs by a representative of the North Carolina Department of Agriculture.) Birds will not be accepted which are infected with or showing any clinical signs of an infectious or communicable disease, or are infested with lice and/or mites.

Coops used in transporting live birds to the fair shall not be allowed inside the exhibit building. Out-of-State birds will not be admitted this year.

Bring your recipe along with your entry to the fairgrounds. All submitted recipes become the property of the NC State Fair.
9. Once your entry has been accepted, judged, and displayed, the display cabinets will be locked and will not be opened for any reason during hours of fair operation. Any corrections or repairs to the entries will be done before or after Fair hours. This is for the protection of your entries.

Hangers will be provided.
10. Specific guidelines for all knitted and crocheted clothing items (excluding doll clothes and toys): Attach pattern name and number to the back of the entry tag. All entries must be accompanied by a pattern swatch done in the same yarn as the item, 2" x 2" in size, with uncut edges.
11. Handspun yarn and garment must be the sole work of the entrant. All items constructed using handspun yarn must include a minimum 6" sample of fiber or roving.
12. Quality workmanship must be evident before ribbons and awards will be given. If no exhibits are judged as suitable in quality within a category, no award may be given in that category. Please note that the point system aids the judges in their decision but is not the sole factor in the final awarding of ribbons and awards.
13. It is the exhibitor's responsibility to enter their clothing articles under the appropriate categories. Under each section there is a designated "other" for you to enter items that do not exactly fit. Items entered incorrectly may be subject to disqualification. Exhibitors requiring advice on selecting possible categories for their entries should contact the Entry Department at (919)839-4515.
14. Note: Once your entry has been accepted, judged and displayed, display cabinets will be locked and not opened for any reason during hours of operation. All corrections or adjustments will be done before fair hours each day. This is to protect your entry.
15. Upcycling entries must demonstrate three sewing construction techniques. Some examples of such techniques include application of a zipper, a neck line adjustment and changes in button techniques. This information should be written on the back of the exhibitor's entry tag. Exhibitors must also provide pictures of the original garments prior to upcycling.

SPECIAL INFORMATION

- **“Garment”** is defined broadly as a single or multiple pieces of wearing apparel (any type) that fits under the stated category.
- **“Decorative Trim”** is defined broadly to include any creative stitching (embroidery, french hand/machine sewing, etc.) or fabric embellishment (quilting/applique, etc.) to enhance the beauty of an item of clothing. The term “novelty” is also broadly defined to include decorative design stitches and yarns.

INFORMATION FOR EXHIBITORS

The fair will furnish one 36" round, skirted table for each exhibitor in table decorating. The height is 30". Exhibitors may enter only 1 category. Tables will be limited for this competition. Tables will be assigned by lottery by the State Fair Entry Department. Due to space considerations and ease of exhibitor table setup, appointment times will be given to each exhibitor in order to decorate their tables. All exhibitors who are assigned a table will be contacted via telephone on September 22 and given a designated time to decorate their table on Wednesday, October 10. If any exhibitor cannot commit to decorate their table at their designated time, then an alternate exhibitor will be contacted. Exhibitors will furnish tablecloths, all decorations including candles, flowers, flatware, napkins, centerpieces, etc. for two place settings.

No real food items are allowed for decorations. Each table should reflect the appropriate theme in which you are registered, and items, including the centerpiece, should be appropriate for the size and shape of the table. All previous place winners (first, second and third placings) from 2018 are ineligible to compete in this year's competition. Please see the Home Furnishings Entry Department Representative for your entry tag.

Exhibitors are asked to provide a detailed list of crystal, china, silver pattern, and special linens used in their display. Judging will begin on Thursday, October 11 at 1:00 pm. Entrants assume all liability for table decorations placed on tables.

The fair and its staff are not responsible for any damage or loss. All decorations must be removed on Monday, October 22 between 8:00 am - 6:00 pm.

The fair is not responsible for exhibits after that time.
