Team,

Just wanted to send a quick reminder that we're getting together at 3 PM at the Old Well for a team picture. I think the weather will be nice. Feel free to reach out to others about coming for the picture - I'm making lots of phone calls tomorrow morning to remind people about it.

I've added a second sheet to the [team roles doc](#) that includes info about who has been contacted, confirmed, and added to the listserv. I haven't added non-core people to the list yet, but I'm planning to do that today and sending a reminder email to the whole group tomorrow. Feel free to add people as well starting tomorrow - just keep track of it on that Google spreadsheet.

Finally, Brady is shooting the team video on Saturday afternoon. If you feel like you can crush it on camera and get the whole world inspired about the campaign in 10-20 seconds, we need you! We'll be shooting these interviews around the quad in scenic locations.

Can't wait,  
Andrew
